TECHNICAL DATA SHEET

MOTORS LIVE 4T 15W40

PRODUCT DESCRIPTION AND USE

It is an engine oil produced by adding high-performance additives to premium-quality mineral base oils.

This engine oil, which can be used in wet plate clutches without any problems, has been specially formulated to exceed the requirements of the world's leading motorcycle manufacturers.

Recommended for use on all Japanese motorcycles where API SL/CF performance is required. It provides excellent protection in any working environment, easy cold operation and smooth lubrication.
